

Tissue Floatation and Baking Bath

Model: WBT-AB

FEATURES:

- High technology and nice screen control, new type of heating material to ensure Small volume and light weight.
- Automatic memory of setting temperature and running .
- High precision in temperature controlling, heating fast ,durable and energy-serving .
- If the power is switched off suddenly, the machine can go on work and correct mistake automatically when the power switch on again.
- The LCD display the current temperature and presetting temperature to make the communication between user and machine easily .

Technical Data

Water Temperature for spreading:	Indoor temperature: -90°C(maximum) adjustable and automatically thermostatic
Temperature for roasting:	Indoor temperature: -90°C(maximum) adjustable and automatically
Memory function:	Automatically retain set temperature after operating
Power voltage:	AC 220V ± 10% 50/60 Hz
Power:	≤ 550W
Environment temperature:	0 ~ 40 °C
Dimensions:	Bath plate: 425×415×215 mm Baking plate: 425×415×215 mm
Weight:	20 kg
